Why are you talking such a thing?

No, he also might think it's just troublesome to have a conversation with me though.

so I felt kind of comfortable when he stopped the conversation there.

I didn't have any reason or energy to tell that to a guy who I just met.

It's because I won't have enough time for my part-time job.

That's his
girlfriend.

oh

OH BOY! AT
THE INSTANT
HE SAID I'D
DROPPED THAT
MY HEART WAS
BROKEN

He might be in
love with him

So it's good that I
have an excuse to
give him up soon.
That's what I kept
telling myself!

It's fine if
we can stay
friends and
laugh at stupid
things.

Either he has a girl-
friend or not, I can't
hope a bright future
between us

Well, in any
case, that's
a guy

I GOT
DUMPED!!

SHHH-SHHH,
COMFORT ME. CAN

THROW A PARTY
TO CHEER ME

(WHY ARE)

**HHAAAT

I kept thinking
that I wanted to
give up a guy like
him and repeated
it countless
times.

Rather
than that,
I still can't
believe
myself
that I'm in
love with a
guy.

To begin
with, it's
hopeless
that the
one I love
is a guy.

I thought it
would be bad
if I kept loving
a guy who
becomes
attached like
him.

After that, he
repeatedly got-
ting a girlfriend
and dumped
three or four
times.

Shoo-shan,
let's go
home~

But every time that
happens, I've noticed
that I became tied to
him by affection and
get disappointed at
myself.

like that.

I would stay
as his friend.

If we're going to
have a relation-
ship that will end
one day, then I
don't want it.

Something
like that.

Whatever he's
been telling me,
I'm on the same
line as his ex-

I prefer
staying as

AFTERWORDS!

I put Akemi-san as a role to tell them all these feelings. She got a good reputation among my friends, so I was glad.

I regret a bit since I could only draw her when she was irritated in this book.

She's really a cheerful and good girl, you know!

I drew this as one shot at first and was told to draw about these two for a series as well.

I usually don't draw a character like Tetsuo, so it was so much fun.

Hello!
I'm Ichikawa Kei!

Thank you so much for buying my comic!

It's my third comic, but I still get super nervous whenever my comic gets published!

Thank you so much!

Huharu, who often helps me to put text, my editor K-sensei always would look them over and

It's sad though.

Oh I used to be already right?

Well, I just started to understand these guys' personalities well and we were like "let's go have a drink," then we have to say bye as always.

We'll hope to see you soon then!

Thank you very much!

Thank you for
reading!
